Net Profit for the year	875	631	810	123

STATE OF THE COMPANY'S AFFAIRS

During the period under review, the Company had earned revenue of Rs.69580 lakh and Net Profit of Rs.875 lakh on standalone basis and Rs.72876 lakh and Rs.810 lakh respectively on consolidated basis.

PERFORMANCE OF THE COMPANY

The Company has three main product segments viz., Fabric (Denim / Apparel), Home Textiles and Apparel.

The Company has performed well in terms of turnover with a growth of 9% over the previous year. The export sales grew by 16%. The Company has bagged Golden Trophy awarded by Texprocil for its export performance. The domestic sales were maintained during the year.

During the year ended 31.03.2019 total Fabric production was 342 lakh meters as against 371 lakh meters in 2017-18.

Sale of Fabric was 338 lakh meters in 2018-19 as against 355 lakh meters in 2017-18.

The Net Profit had increased due to increase in export volumes and favourable exchange rates.

DIVIDEND

The Board of Directors recommends a dividend of 7.50 % (i.e. Rs.0.75) per equity share of the Company for the year 2018-19. The Dividend tax payable amounts to Rs.39.56 lakh.

INDUSTRY STRUCTURE AND DEVELOPMENT

There has been pressure on sales, particularly on denim fabrics. We are witnessing sluggish sales across the mid segment and high end brands at the retail end resulting in piling up of inventory at the brands and also at the manufacturers' end. This has put all the mills in the market to downsize the production by 40 to 50% which would remain for few more months until the market emerges back to the old state.

The scenario in Europe has not changed much since the last year due to slowdown in economy resulting in all the retailers struggling to step up sales. Export of fabrics has had a hit due to this situation and we are hoping the market would pick up from the next season.

Efforts are being taken to target new markets and we have made inroads in Ukraine and Korea although the Market has high competition from India, Pakistan and Turkey.

Due to US-China trade war there is huge pressure on Chinese mills to ship fabrics to other countries like Bangladesh, Vietnam and few others at much lower prices making it difficult for other countries to sell.

K G DENIM LIMITED

OPPORTUNITIES AND THREATS

We are expecting the domestic market to improve during the festive season resulting in fabric sales to improve to brands and retailers in the domestic segment.

Due to Geo Political situations and various countries imposing trade restrictions difficulties are being experienced in the export market.

At the domestic market also there has been tepid demand and the overall demand has shown downward trend.

LISTING OF EQUITY SHARES

The Company's Equity shares are listed at the following Stock Exchange:

BSE Limited, Phiroze JeeJeebhoy Towers, Dalal Street, Mumbai-400 001.

The Company has paid the Annual Listing Fees to the said Stock Exchange for the Financial Year 2019-20.

PERFORMANCE AND FINANCIAL POSITION OF SUBSIDIARIES

The Company has two wholly owned subsidiaries Trigger Apparels Limited and KG Denim (USA) Inc.

The Company's wholly owned subsidiary Trigger Apparels Limited is engaged in the marketing of readymade garments.

During the year, the gross turnover in Trigger Apparels Limited was Rs.40.95 lakh against Rs.11500 lakh during the previous year. The Subsidiary Company has registered a loss of Rs.39 lakh as against a loss of Rs.504 lakh in the previous year. The subsidiary is reorganising its products and marketing channels.

There has been an improvement in margins compared to earlier years. The overall loss is on account of liquidation of stocks in the first quarter of 2018-19.

KG Denim (USA) Inc. had achieved a turnover of Rs.246.76 lakh and registered a loss of Rs.25.96 lakh during the year mainly on account of initial advertisement and sales promotion expenses.

As per the provisions of Section 129 of the Companies Act, 2013 read with Companies (Accounts) Rules, 2014, a separate statement containing the salient features of the financial statements of the Subsidiary companies is prepared in Form AOC-1 and same is enclosed to this report as Annexure-1.

CONSOLIDATED FINANCIAL STATEMENTS

Consolidated Financial Statements have been prepared by the Company's Management in accordance with the requirements of Accounting Standards 21 issued by The Institute of Chartered Accountants of India (ICAI) and as per the provisions of Companies Act, 2013.

As per the provisions of Section 136 of the Companies Act, 2013, the Company has placed separate audited accounts of its subsidiaries on its website www.kgdenim.com and copy of separate audited financial statements of its subsidiaries will be provided to the shareholders at their request.

COMPANY SECRETARYS' CERTIFICATE REGARDING COMPLIANCE OF CONDITIONS OF CORPORATE GOVERNANCE

To The Members of M/s. K G Denim Limited

Dear Sir,

I have examined the compliance conditions of corporate governance by M/s. K G Denim Limited ("the Company") for the financial year ended March 31, 2019 as stipulated under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The compliance of conditions of corporate governance is the responsibility of the management. My examination was limited to a review of the procedures and implementations thereof adopted by the company for ensuring compliance with the conditions of corporate governance as stipulated under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. It is neither an audit nor an expression of opinion on the financial statements of the company.

In my opinion and to the best of my information and according to the explanation given to me and based on the representations made by the directors and management, I certify that the company has complied with the conditions of corporate governance as stipulated under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 subject to the fact that the submission of investor complaints under Regulation 13(3) of LODR 2015 belatedly .

I further state that such compliance is neither an assurance as to the future viability of the company nor of the efficiency or effectiveness with which the management has conducted the affairs of the company

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF K G DENIM LIMITED

REPORT ON THE STANDALONE FINANCIAL STATEMENTS

Opinion

1. We have audited the accompanying standalone financial statements of K G Denim Limited ('the Company'), which comprise the Balance sheet as at 31st March 2019, the statement of profit and loss (including Other Comprehensive Income), the Cash Flow statement and the statement of changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS'), specified under Section 133 of the Act, of the state of affairs (financial position) of the Company as at 31st March 2019, and its profit (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr.No	Key Audit Matter	Auditor's Response
1.	<p><i>Litigations - Contingencies</i></p> <p>The Company has ongoing litigations with various authorities and third parties which could have a significant impact on the results, if the potential exposures were to materialise.</p> <p>The amounts involved are significant, and the application of accounting standards to determine the amount, if any, to be provided as a liability or disclosed as a contingent liability, is inherently subjective.</p> <p>Claims against the Company not acknowledged as debts are disclosed in the Financial Statements by the Company after a careful evaluation of the facts and legal aspects of the matters involved. The outcome of such litigation is uncertain and the position taken by management involves significant judgment and estimation to determine the likelihood and/or timing of cash outflows and the interpretation of preliminary and pending court rulings.</p> <p>Refer Note 41 to the Financial Statements</p>	<p><i>Principal Audit Procedures</i></p> <p>Our audit approach was a combination of test of internal controls and substantive procedures including:</p> <p>Assessing the appropriateness of the design and implementation of the Company's controls over the assessment of litigations and completeness of disclosures. Supporting documentation are tested for the positions taken by the management, meetings are conducted with in-house legal counsel and/or legal team and minutes of Board to confirm the operating effectiveness of these controls.</p> <p>Involving our direct and indirect tax specialists to assess relevant historical and recent judgements passed by the appropriate authorities in order to challenge the basis used for the accounting treatment and resulting disclosures.</p>

Information other than the Financial Statements and Auditor's Report thereon

5. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

6. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

7. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

8. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

9. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

10. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- ♣ Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ♣ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- ♣ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- ♣ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

K G DENIM LIMITED

- ♣ Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

11. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

13. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

14. As required by Section 197(16) of the Act, we report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under Section 197 read with Schedule V to the Act.

15. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of section 143 (11) of the Act, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the Order.

16. As required by Section 143 (3) of the Act, we report that:

- we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- the balance sheet, the statement of profit and loss (including other comprehensive income), the cash flow statement and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
- in our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with relevant rules issued thereunder;
- on the basis of the written representations received from the directors as on 31st March 2019 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2019 from being appointed as a director in terms of Section 164 (2) of the Act;
- We have also audited the internal financial controls over financial reporting of the Company as on 31st March 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date and our report as per "Annexure B" expressed an unmodified opinion.
- with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our knowledge and belief and according to the information and explanations given to us:
 - the Company has disclosed the impact of pending litigations on its financial position in the standalone financial statements;
 - the Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses;
 - There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2019.
 - The disclosure requirements regarding specified bank notes held and transacted during the period from 8th November 2016 to 30th December 2016 has not been made since the requirement does not pertain to the year ended 31st march 2019.

Referred to in paragraph 15 of the Independent Auditors' Report of even date to the members of K G Denim Limited on the standalone financial statements for the year ended March 31, 2019.

- i. (a) The Company is maintaining proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
- (b) The Property, Plant and Equipment are physically verified by the Management according to a phased programme designed to cover all the items over a period of three years, which in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the Property, Plant and Equipment has been physically verified by the Management during the year and no material discrepancies have been noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- ii. The physical verification of inventory excluding stocks with third parties have been conducted at reasonable intervals by the Management during the year. In respect of inventory lying with third parties, these have substantially been confirmed by them. The discrepancies noticed on physical verification of inventory as compared to book records were not material and have been appropriately dealt with in the books of accounts.
- iii. The Company has not granted unsecured loans to companies, firms, LLPs or other parties covered in the register maintained under Section 189 of the Act.
- iv. In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Companies Act, 2013 in respect of loans, investments made and the guarantees provided by it.
- v. The Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and the Rules framed there under to the extent notified.
- vi. The Company has maintained the cost records prescribed by the Central Government under Section 148(1) of the Act, however, we have not made detailed examination of such records.
- vii. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is generally regular in depositing the undisputed statutory dues in respect of sales tax, goods and service tax VAT, provident fund, employees' state insurance, income tax, service tax, duty of customs, duty of excise, cess and other material statutory dues, as applicable, with the appropriate authorities. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they become payable.
- (b) According to the information and explanations given to us and the records of the Company examined by us, there are no dues of income tax, sales tax and VAT which have not been deposited on account of any dispute. The particulars of dues of service tax, duty of customs, duty of excise and income tax as at March 31, 2019 which have not been deposited on account of a dispute, are as follows:

K G DENIM LIMITED

Name of Statute	Nature of Dues	Amount (Rs. Lakhs)	Period to which the amount relates	Forum where the dispute is pending
Central Excise Act	Excise Duty	10.79	FY 2013-14	CESTAT, Chennai
Customs Act	Custom Duty	7.49	FY 2006-07	CESTAT, Chennai
		0.33	FY 2008-09	CESTAT, Chennai
		112.61	FY 2013-14	Customs Excise and Service Tax Appellate Tribunal, Chennai. Out of this, demand of Rs.112.61 lakhs was stayed by CESTAT, Chennai.
Income Tax Act	Income Tax	20.15	FY 2014-15	CIT Appeals

- viii. According to the information and explanation given to us, we are of the opinion that the Company has not defaulted in repayment of loans or borrowings to any financial institution or bank or Government or dues to debenture holders during the year.
- ix. The Company did not raise any money by way of initial public offer or further public offer (including debt instruments). According to the information and explanation given to us, we are of the opinion that the term loans have been applied for the purposes for which they were obtained.
- x. According to the information and explanation given to us, we have neither come across any instance of material fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such case by the Management.
- xi. The Company has paid/ provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.
- xii. As the Company is not a Nidhi Company and therefore Clause 3(xii) of the Order is not applicable to the Company.
- xiii. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- xiv. The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review. Accordingly Clause 3(xiv) of the Order is not applicable to the Company.
- xv. The Company has not entered into any non cash transactions with its directors or persons connected with him, Accordingly Clause 3(xv) of the Order is not applicable to the Company.

ANNEXURE - B TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

1. We have audited the internal financial controls over financial reporting of K G Denim Limited ("the Company") as of 31st March 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls over financial reporting and the Guidance Note issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded

K G DENIM LIMITED

as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

K G DENIM LIMITED

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

Note :- 34: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

K G Denim Limited incorporated in India and listed on the BSE is a leading manufacturer of denim fabrics, apparel fabrics, home textiles and apparel (garments).

II. Significant Accounting Policies followed by the Company

(a) Basis of preparation

(i) Compliance with Ind AS

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

The accounting policies are applied consistently to all the periods presented in the financial statements.

The Company has adopted Ind AS 115, Revenue from contract with customers with effect from 1st April 2018 and it is detailed in Note 34(o)

(ii) Historical cost conventions

The financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities that are measured at fair value in terms of Ind AS.

(iii) Going Concern

The accounts are prepared on the basis of going concern concept

(iv) Current non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Act.

(v) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

(b) Use of estimates and judgments

The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognised in the period in which the results are known/materialised.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

(c) Property, plant and equipment

The Company has applied for the one time transition exemption of considering the carrying cost on the transition date i.e. April 1, 2016 as the deemed cost under IND AS. Hence regarded thereafter as historical cost. Freehold land is carried at cost. All other items of property, plant and equipment are stated at cost less depreciation and impairment, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

Depreciation methods, estimated useful lives and residual value

Depreciation on Property, Plant and Equipment and other fixed assets is provided on a Straight Line Method, over the

K G DENIM LIMITED

estimated useful lives of assets.

The Company depreciates its property, plant and equipment over the useful life in the manner prescribed in Schedule II to the Act, and management believe that useful life of assets are same as those prescribed in Schedule II to the Act, except for power plant machinery which based on an independent technical evaluation, life has been estimated as 20 years, which is different from that prescribed in Schedule II to the Act.

Useful life considered for calculation of depreciation for various assets class are as follows-

Asset Class	Useful Life
Factory Building	30 years
Non- Factory Building	60 years
Plant and Machinery	15 years
Furniture and Fixtures	10 years
Office Equipment	5 years
Vehicles	8 years
Power Plant	20 years

The residual values are not more than 5% of the original cost of the asset. The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Profit and Loss.

Capital Work-in-Progress comprises cost of fixed assets that are not yet installed and ready for their intended use at the balance sheet date.

(d) Cash and Cash Equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand and bank, current account balances.

(e) Inventories

Inventories of Raw Materials, Work-in-Progress, Stores and spares, Finished Goods and Stock-in-trade are stated 'at cost or net realisable value, whichever is lower'. Cost comprise all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost formula used are 'Weighted Average cost', average cost or 'Specific identification', as applicable. Due allowance is estimated and made for defective and obsolete items, wherever necessary.

(f) Operating Lease As a lessee

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the company, as lessee, are classified as operating leases. Payments made under operating leases are charged to the statement of profit and loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the company's expected inflationary cost increases.

(g) Investments in subsidiaries,

Investments in subsidiaries are recognised at cost as per Ind AS 27.

(h) Investments and other financial assets

(i) Classification

The Company classifies its financial assets in the following measurement categories:

- (1) those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and
- (2) those measured at amortised cost.

K G DENIM LIMITED

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

(ii) Measurement

At initial recognition, the Company measures a financial asset at its fair value. Transaction costs of financial assets carried at fair value through the Profit and Loss are expensed in the Statement of Profit and Loss.

(iii) Impairment of financial assets

The Company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

(iv) Income recognition

Dividends

Dividends are recognised in the Statement of Profit and Loss only when the right to receive payment is established.

(i) Impairment of non-financial assets

Impairment of non-financial assets that have an indefinite useful life are not subject to amortisation and are tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (cash-generating units). Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

(j) Derivative financial instruments

Derivative financial instruments such as forward contracts are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value with changes in fair value recognised in the Statement of Profit and Loss in the period when they arise.

(k) Segment Reporting:

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

(l) Borrowings

Borrowings are initially recognised at net of transaction costs incurred and measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the Statement of Profit and Loss over the period of the borrowings using the effective interest method.

(m) Borrowing costs

Interest and other borrowing costs attributable to qualifying assets are capitalised. Other interest and borrowing costs are charged to Statement of Profit and Loss.

(n) Provisions and contingent liabilities

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent Liabilities are disclosed in respect of possible obligations that arise from past events but their existence will be confirmed by the occurrence or non occurrence of one or more uncertain future events not wholly within the

K G DENIM LIMITED

control of the Company or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made.

(o) Revenue recognition

Revenue is measured at the value of the consideration received or receivable. Amounts disclosed as revenue are exclusive of GST and net of returns, trade allowances, rebates, discounts and value added taxes.

The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Company and specific criteria have been met for each of the Company's activities as described below.

The Company has elected to recognize cumulative effect of initially applying Ind As 115 retrospectively as on adjustment to opening balance sheet as at 1st April 2018 on the contracts that are not completed contract as at that date. There was no impact of above on the opening balance sheet as at 1st April 2018 and on the statement of profit and loss for the year ended 31st March 2019

The Company recognized the above standard retrospectively with cumulative effect.

Sale of goods

The Company earns revenue primarily from sale of manufactured goods (fabric, home textiles and garments). It has applied the principles laid down in Ind AS 115 and determined that there is no change require in the existing revenue recognition methodology. In case of sale to domestic customers, sale is made on ex-factory basis and revenue is recognized when the goods are dispatched from the factory gate. In case of export sales, revenue is recognized on shipment date, when performance obligation is met.

Revenue from services

Revenue from services is recognized in the accounting period in which the services are rendered.

Export Incentive

Export incentives under various schemes notified by government are accounted for in the year of exports based on eligibility and when there is no uncertainty in receiving the same.

Dividend Income

Dividend income from investment is recognized when the company's right to receive is established which generally occurs when the shareholders approve the dividend.

Insurance claims

Insurance claims are accounted for to the extent the company is reasonably certain of their ultimate collection.

(p) Employee benefits

(i) Short-term obligations

Short term employee benefits (other than termination benefits) which are payable within 12 months after the end of the period in which the employees render service are accounted on accrual basis. Company's contributions paid / payable during the year to Provident Fund and ESIC are recognized in the statement of profit and loss account. All leave encashment dues for the year are settled within the same year.

(ii) Employment retirement benefits

- a) Contribution to Provident Fund has been made to the respective authorities.
- b) Gratuity liability as per the Actuarial Valuation has been provided in the accounts as at the year end.

(q) Foreign currency translation

(i) Functional and presentation currency

The financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency.

(ii) Transactions and balances

K G DENIM LIMITED

Transactions in foreign currencies are recognised at the prevailing exchange rates on the transaction dates. Realised gains and losses on settlement of foreign currency transactions are recognised in the Statement of Profit and Loss.

Monetary foreign currency assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of Profit and Loss.

(r) Income tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

Deferred income tax is provided in full, using the liability method on temporary differences arising between the tax bases of assets and liabilities and their carrying amount in the financial statement. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are excepted to apply when the related deferred income tax assets is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses, only if, it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are off set where the Company has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively Minimum Alternate

Tax credit is recognised as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

(s) Earnings Per Share

Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the Company
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

(t) Government Grants

Grants from the government are recognised at their fair value where there is reasonable assurance that the grant will be received and the Company will comply with all attached conditions.

Government grants relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited to Profit and Loss on a straight - line basis over the expected lives of related assets and presented within other income.

(u) Critical estimates and judgements

The preparation of financial statements requires the use of accounting estimates which by definition will seldom equal the actual results.

Management also need to exercise judgement in applying the Group's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates or judgement are:

Estimation of current tax expenses and Payable.

Estimation of defined benefit obligation.

Note : 35: FAIR VALUE MEASUREMENT

Financial Instrument by category and hierarchy

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

1. Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to short term maturities of these instruments.
2. Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair value of such instruments is not materially different from their carrying amounts.

The fair values for loans and security deposits were calculated based on cash flows discounted using a current lending rate. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counter party credit risk.

The fair values of non-current borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the used of unobservable inputs, including own credit risk.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: techniques which use inputs that have significant effect on the recorded fair value that are not based on observable market data.

K G DENIM LIMITED

Note :- 36 - FINANCIAL RISK MANAGEMENT

Credit risk

Credit risk is the risk that a counterparty will not meet its obligation under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operation activities (primarily trade receivables) and from its financing activities, foreign exchange transactions and other financial instruments.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis through each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of default occurring on asset as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

- i) Actual or expected significant adverse changes in business,
- ii) Actual or expected significant changes in the operating results of the counterparty,
- iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligations,
- iv) Significant increase in credit risk on other financial instruments of the same counterparty,

Financial assets are written off when there is no reasonable expectations of recovery, such as a debtor failing to engage in a repayment plan with the Company.

Trade Receivables

Customer credit risk is managed subject to the Company's established policy, procedures and control relating to customer credit risk management. Trade receivables are non-interest bearing and generally on 7 days to 180 days credit term. Credit limits are established for all customers based on internal rating criteria. Outstanding customer receivables are regularly monitored. The Company has no concentration of credit risk as the customer base is widely distributed both economically and geographically

An impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The calculation is based on actual incurred historical data. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The Company does not hold collateral security. The Company evaluated the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets.

Liquidity Risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, Company treasury maintains flexibility in funding by maintaining availability under committed credit lines. Management monitors rolling forecasts of the Company's liquidity position (comprising the undrawn borrowing facilities below) and cash and cash equivalents on the basis of expected cash flows.

(i) Financing arrangements

The Company had access to the following undrawn borrowing facilities at the end of the reporting period:

Note :- 36 - FINANCIAL RISK MANAGEMENT (contd..)

Financial risk management objectives and policies

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by the Managing Board.

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial statement may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loans and borrowings.

The Company manages market risk through a treasury department, which evaluates and exercises independent control over the entire process of market risk management. The treasury department recommends risk management objectives and policies, which are approved by Senior Management and the Audit Committee. The activities of this department include management of cash resources, implementing hedging strategies for foreign currency exposures like foreign exchange forward contracts, borrowing strategies and ensuring compliance with market risk limits and policies.

Market Risk- Foreign currency risk.

The company manages foreign currency risk primarily through forward contracts

(a) (iii) Market Risk- Price Risk

(a) Exposure

The Company's exposure to equity securities traded in stock exchange held by the Company as long term and classified in the balance sheet at fair value through OCI. The risk is marginal on account of investment being minimal.

(b) Sensitivity

The table below summarizes the impact of increases/decreases of the BSE index on the Company's equity and Gain/Loss for the period. The analysis is based on the assumption that the index has increased by 5 % or decreased by 5 % with all other variables held constant, and that all the Company's equity instruments moved in line with the index.

Note :- 37 - CAPITAL RISK MANAGEMENT

(a) Risk Management

The Company aim to manages its capital efficiently so as to safeguard its ability to continue as a going concern and to optimise returns to our shareholders. The capital structure of the Company is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-to-day needs. We consider the amount of capital in proportion to risk and manage the capital structure in light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders or issue new shares. The Company's policy is to maintain a stable and strong capital structure with a focus on total equity so as to maintain investor, creditors and market confidence and to sustain future development and growth of its business. The Company will take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

Note 42 :

The company has an investment of Rs 450 lakhs in the shares of Trigger Apparels Limited (TAL) a wholly owned subsidiary of the company. The net worth of TAL has eroded due to business losses; However the management has not considered revaluation of its investment during the current year due to the fact that TAL has taken effective steps to improve its performance by reorienting product mix with value added products in line with latest fashion trends. Considering the higher recall for the Trigger Brand and the move over to direct Retail Marketing in the backdrop of Retail Revolution happening in India, the business has bright prospects in the ensuing years. Management therefore considers that the business will have better value and that there is no need for provision for the losses as of now.

CONSOLIDATED FINANCIAL STATEMENTS K G DENIM LIMITED

INDEPENDENT AUDITORS' REPORT

To the Members of K G Denim Limited

Report on the Consolidated Financial Statements

Opinion

1. We have audited the accompanying Consolidated financial statements of KG Denim Limited ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), which comprise the Consolidated Balance sheet as at 31st March 2019, the Consolidated Statement of profit and loss (including Other Comprehensive Income), the Consolidated Cash Flow statement and the Consolidated statement of changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

2. In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditor on separate financial statements and on the other financial information of the subsidiaries, the aforesaid Consolidated financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS'), specified under Section 133 of the Act, of the consolidated state of affairs (consolidated financial position) of the Group as at 31 March 2019, and its consolidated profit (consolidated financial performance including other comprehensive income), its consolidated cash flows and the consolidated changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditor in terms of their report referred to in paragraph 15 of the Other Matters paragraph below is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, and based on the consideration of the reports of the other auditors on separate financial statements and on the other financial information of the subsidiaries, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the Consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

5. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr.No	Key Audit Matter	Auditor's Response
1.	<p>Litigations - Contingencies</p> <p>The Company has ongoing litigations with various authorities and third parties which could have a significant impact on the results, if the potential exposures were to materialise.</p> <p>The amounts involved are significant, and the application of accounting standards to determine the amount, if any, to be provided as a liability or disclosed as a contingent liability, is inherently subjective.</p> <p>Claims against the Company not acknowledged as debts are disclosed in the Consolidated Financial Statements by the Group after a careful evaluation of the facts and legal aspects of the matters involved. The outcome of such litigation is uncertain and the position taken by management involves significant judgment and estimation to determine the likelihood and/or timing of cash outflows and the interpretation of preliminary and pending court rulings. Refer Note 41 to the Financial Statements</p>	<p>Principal Audit Procedures</p> <p>Our audit approach was a combination of test of internal controls and substantive procedures including:</p> <p>Assessing the appropriateness of the design and implementation of the Group's controls over the assessment of litigations and completeness of disclosures. Supporting documentation are tested for the positions taken by the management, meetings are conducted with in-house legal counsel and/or legal team and minutes of Board to confirm the operating effectiveness of these controls.</p> <p>Involving our direct and indirect tax specialists to assess relevant historical and recent judgements passed by the appropriate authorities in order to challenge the basis used for the accounting treatment and resulting disclosures.</p>

CONSOLIDATED FINANCIAL STATEMENTS K G DENIM LIMITED

Information other than the Consolidated Financial Statements and Auditor's Report thereon

6. The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the Consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

7. The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these Consolidated financial statements that give a true and fair view of the consolidated state of affairs (consolidated financial position), consolidated profit or loss (consolidated financial performance including other comprehensive income), consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended. The Holding Company's Board of Directors is also responsible for ensuring accuracy of records including financial information considered necessary for the preparation of Consolidated Ind As financial statements. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. These financial statements have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

8. In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

9. Those Board of Directors are also responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

10. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

11. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- ♣ Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ♣ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the holding Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

CONSOLIDATED FINANCIAL STATEMENTS K G DENIM LIMITED

- ♣ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- ♣ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- ♣ Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

14. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

15. We did not audit the Financial statements of Company's two wholly owned subsidiaries, Trigger Apparels Limited and KG Denim (USA) Inc., whose consolidated financial statements (before eliminating inter company balances) reflect total assets of Rs.2727.18 lakhs as at 31st March 2019, total revenue (before eliminating intercompany transactions) of Rs.4341.42 lakhs, total net loss after tax of Rs.244.79 lakhs (before eliminating intercompany transactions), and total comprehensive loss of Rs.65.43 lakhs (before eliminating intercompany transactions) for the year ended on that date and net cash flows amounting to Rs.87.01 lakhs for the year ended on that date, as considered in the consolidated financial statements.

- a) In respect of Trigger Apparels Limited, the financial statements have been audited by other auditors whose reports have been furnished to us by the management and our opinion on the consolidated financial statements insofar as it relates to the amounts and disclosures included in respect of the subsidiary, and matters identified and disclosed under key audit matters section above and our report in terms of subsection (3) of section 143 of the Act insofar as it related to the subsidiary is based solely on the reports of the other auditor.
- b) In respect of the company's foreign subsidiary KG Denim (USA) Inc, the financial statements have been certified by the management and our opinion on the consolidated financial statements insofar as it relates to the amounts and disclosures included in respect of the subsidiary and matters identified and disclosed under key audit matters section above and our report in terms of subsection (3) of section 143 of the Act insofar as it related to the subsidiary is based solely on such approved unaudited financial statements. In our opinion and according to the information and explanations given to us by the Management, this financial statement / financial information is not material to the Group.

Our opinion on the consolidated financial statements and our report on Other legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the Management.

Report on Other Legal and Regulatory Requirements

16. As required by Section 197(16) of the Act, based on our audit and on the consideration of the report of the other auditor, referred to in paragraph 15, on separate financial statement of the subsidiaries, we report that the Holding Company and two subsidiary companies has paid remuneration to their respective directors during the year in accordance with the provisions of and limits laid down under Section 197 read with Schedule V to the Act.

CONSOLIDATED FINANCIAL STATEMENTS K G DENIM LIMITED

CONSOLIDATED FINANCIAL STATEMENTS K G DENIM LIMITED

ANNEXURE A TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

1. In conjunction with our audit of the Consolidated financial statements of K G Denim Limited (the 'Holding Company') and its subsidiaries (the Holding company and its subsidiaries together referred to as the 'Group') as at and for the year ended 31st March 2019, we have audited the internal financial controls over financial reporting of the holding company and its two subsidiaries which are companies covered under the Act, as on that date.

Management's Responsibility for Internal Financial Controls

2. The respective Board of Directors of the Holding Company and two subsidiary companies which are companies covered under the Act, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Holding Company and its two subsidiary companies based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls over financial reporting and the Guidance Note issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting includes obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditor in terms of the reports referred to in the Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls over financial reporting of the Holding Company and its two subsidiary companies as aforesaid.

Meaning of Internal Financial Controls over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

CONSOLIDATED FINANCIAL STATEMENTS K G DENIM LIMITED

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion to the best of our information and according to the explanations given to us and based on the consideration of the other auditors referred to in the Other Matters paragraph below, the Holding Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2019, based on the criteria for internal financial control over financial reporting established by the Holding Company and its subsidiary companies, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

9. Our aforesaid reports under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relate to subsidiary companies which are incorporated in India, is based on the corresponding report of the auditor of such companies incorporated in India. Our opinion is not qualified in respect of this matter.

CONSOLIDATED FINANCIAL STATEMENTS K G DENIM LIMITED

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

Note :- 34: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

34.1 Principles of consolidation:

The Consolidated financial statements relate to K G Denim Limited and its subsidiaries, have been prepared on a line by line basis by adding together the book values like items of assets, liabilities, income and expenses, after fully eliminating intra-group balances and intra-group transactions resulting in unrealized profits or losses as stated in Ind AS

The subsidiary companies considered in the consolidated financial statements are

Name of the company	Country of Incorporation	Proportion of voting power as on 31.03.2019
Trigger Apparels Limited	India	100%
KG Denim (USA) Inc.	Delaware USA	100%

34.2 Other Significant Accounting policies:

(a) Basis of preparation

(i) Compliance with Ind AS

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

The accounting policies are applied consistently to all the periods presented in the financial statements. The financial statements of the Group have been consolidated using uniform accounting policies.

The Group has adopted Ind AS 115, Revenue from contract with customers with effect from 1st April 2018 and it is detailed in Note 34.2(o)

(ii) Historical cost conventions

The financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities that are measured at fair value in terms of Ind AS.

(iii) Going Concern

The accounts are prepared on the basis of going concern concept

(iv) Current non-current classification

All assets and liabilities have been classified as current or non-current as per the Group's normal operating cycle and other criteria set out in the Schedule III to the Act.

(v) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

(b) Use of estimates and judgments

The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the Group and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Group believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognised in the period in which the results are known/materialised.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

CONSOLIDATED FINANCIAL STATEMENTS K G DENIM LIMITED

(c) Property, plant and equipment

The Group has applied for the one time transition exemption of considering the carrying cost on the transition date i.e. April 1, 2016 as the deemed cost under IND AS. Hence regarded thereafter as historical cost. Freehold land is carried at cost. All other items of property, plant and equipment are stated at cost less depreciation and impairment, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

Depreciation methods, estimated useful lives and residual value

Depreciation on Property, Plant and Equipment and other fixed assets is provided on a Straight Line Method, over the estimated useful lives of assets.

The Group depreciates its property, plant and equipment over the useful life in the manner prescribed in Schedule II to the Act, and management believe that useful life of assets are same as those prescribed in Schedule II to the Act, except for power plant machinery which based on an independent technical evaluation, life has been estimated as 20 years, which is different from that prescribed in Schedule II to the Act.

Useful life considered for calculation of depreciation for various assets class are as follows-

Asset Class	Useful Life
Factory Building	30 years
Non- Factory Building	60 years
Plant and Machinery	15 years
Furniture and Fixtures	10 years
Office Equipment	5 years
Vehicles	8 years
Power Plant	20 years

The residual values are not more than 5% of the original cost of the asset. The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Profit and Loss.

Capital Work-in-Progress comprises cost of fixed assets that are not yet installed and ready for their intended use at the balance sheet date.

(d) Cash and Cash Equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand and bank, current account balances.

(e) Inventories

Inventories of Raw Materials, Work-in-Progress, Stores and spares, Finished Goods and Stock-in-trade are stated 'at cost or net realisable value, whichever is lower'. Cost comprise all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost formula used are 'Weighted Average cost', average cost or 'Specific identification', as applicable. Due allowance is estimated and made for defective and obsolete items, wherever necessary.

CONSOLIDATED FINANCIAL STATEMENTS K G DENIM LIMITED

(f) Operating Lease As a lessee

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Group, as lessee, are classified as operating leases. Payments made under operating leases are charged to the statement of profit and loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the Group's expected inflationary cost increases.

(g) Investments and other financial assets

(h) Classification

The Group classifies its financial assets in the following measurement categories:

- (1) those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and
- (2) those measured at amortised cost.

The classification depends on the Group's business model for managing the financial assets and the contractual terms of the cash flows.

(ii) Measurement

At initial recognition, the Group measures a financial asset at its fair value. Transaction costs of financial assets carried at fair value through the Profit and Loss are expensed in the Statement of Profit and Loss.

(iii) Impairment of financial assets

The Group measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

(iv) Income recognition

Dividends

Dividends are recognised in the Statement of Profit and Loss only when the right to receive payment is established.

(i) Impairment of non-financial assets

Impairment of non-financial assets that have an indefinite useful life are not subject to amortisation and are tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (cash-generating units). Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

(j) Derivative financial instruments

Derivative financial instruments such as forward contracts are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value with changes in fair value recognised in the Statement of Profit and Loss in the period when they arise.

(k) Segment Reporting:

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

(l) Borrowings

Borrowings are initially recognised at net of transaction costs incurred and measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the Statement of Profit and Loss over the period of the borrowings using the effective interest method.

CONSOLIDATED FINANCIAL STATEMENTS K G DENIM LIMITED

(m) Borrowing costs

Interest and other borrowing costs attributable to qualifying assets are capitalised. Other interest and borrowing costs are charged to Statement of Profit and Loss.

(n) Provisions and contingent liabilities

Provisions are recognised when the Group has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent Liabilities are disclosed in respect of possible obligations that arise from past events but their existence will be confirmed by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Group or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made.

(o) Revenue recognition

Revenue is measured at the value of the consideration received or receivable. Amounts disclosed as revenue are exclusive of GST and net of returns, trade allowances, rebates, discounts and value added taxes.

The Group recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Group and specific criteria have been met for each of the Group's activities as described below.

The Group has elected to recognize cumulative effect of initially applying Ind As 115 retrospectively as on adjustment to opening balance sheet as at 1st April 2018 on the contracts that are not completed contract as at that date. There was no impact of above on the opening balance sheet as at 1st April 2018 and on the statement of profit and loss for the year ended 31st March 2019

The Group recognized the above standard retrospectively with cumulative effect.

Sale of goods

The Group earns revenue primarily from sale of manufactured goods (fabric, home textiles and garments). It has applied the principles laid down in Ind AS 115 and determined that there is no change require in the existing revenue recognition methodology. In case of sale to domestic customers, sale is made on ex-factory basis and revenue is recognized when the goods are dispatched from the factory gate. In case of export sales, revenue is recognized on shipment date, when performance obligation is met.

Revenue from services

Revenue from services is recognized in the accounting period in which the services are rendered.

Export Incentive

Export incentives under various schemes notified by government are accounted for in the year of exports based on eligibility and when there is no uncertainty in receiving the same.

Dividend Income

Dividend income from investment is recognized when the Group's right to receive is established which generally occurs when the shareholders approve the dividend.

Insurance claims

Insurance claims are accounted for to the extent the Group is reasonably certain of their ultimate collection.

CONSOLIDATED FINANCIAL STATEMENTS K G DENIM LIMITED

(p) Employee benefits

(i) Short-term obligations

Short term employee benefits (other than termination benefits) which are payable within 12 months after the end of the period in which the employees render service are accounted on accrual basis. Group's contributions paid / payable during the year to Provident Fund and ESIC are recognized in the statement of profit and loss account. All leave encashment dues for the year are settled within the same year.

(ii) Employment retirement benefits

- a) Contribution to Provident Fund has been made to the respective authorities.
- b) Gratuity liability as per the Actuarial Valuation has been provided in the accounts as at the year end.

(q) Foreign currency translation

(i) Functional and presentation currency

The financial statements are presented in Indian rupee (INR), which is Group's functional and presentation currency.

(ii) Transactions and balances

Transactions in foreign currencies are recognised at the prevailing exchange rates on the transaction dates. Realised gains and losses on settlement of foreign currency transactions are recognised in the Statement of Profit and Loss.

Monetary foreign currency assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of Profit and Loss.

(r) Income tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

Deferred income tax is provided in full, using the liability method on temporary differences arising between the tax bases of assets and liabilities and their carrying amount in the financial statement. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are excepted to apply when the related deferred income tax assets is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses, only if, it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are off set where the Group has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively Minimum Alternate

Tax credit is recognised as deferred tax asset only when and to the extent there is convincing evidence that the Group will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Group will pay normal income tax during the specified period.

(s) Earnings Per Share

Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the Group
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

CONSOLIDATED FINANCIAL STATEMENTS K G DENIM LIMITED

Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

(t) Government Grants

Grants from the government are recognised at their fair value where there is reasonable assurance that the grant will be received and the Group will comply with all attached conditions.

Government grants relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited to Profit and Loss on a straight - line basis over the expected lives of related assets and presented within other income.

(u) Critical estimates and judgements

The preparation of financial statements requires the use of accounting estimates which by definition will seldom equal the actual results.

Management also need to exercise judgement in applying the Group's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates or judgement are:

Estimation of current tax expenses and Payable.

Estimation of defined benefit obligation.

Note : 35: FAIR VALUE MEASUREMENT

Financial Instrument by category and hierarchy

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

1. Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to short term maturities of these instruments.
2. Financial instruments with fixed and variable interest rates are evaluated by the Group based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair value of such instruments is not materially different from their carrying amounts.

The fair values for loans and security deposits were calculated based on cash flows discounted using a current lending rate. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counter party credit risk.

The fair values of non-current borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the used of unobservable inputs, including own credit risk.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

The Group uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation cheque :

CONSOLIDATED FINANCIAL STATEMENTS K G DENIM LIMITED

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: techniques which use inputs that have significant effect on the recorded fair value that are not based on observable market data.

CONSOLIDATED FINANCIAL STATEMENTS K G DENIM LIMITED

Note :- 36 - FINANCIAL RISK MANAGEMENT

Credit risk

Credit risk is the risk that a counterparty will not meet its obligation under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operation activities (primarily trade receivables) and from its financing activities, foreign exchange transactions and other financial instruments.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis through each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of default occurring on asset as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

- i) Actual or expected significant adverse changes in business,
- ii) Actual or expected significant changes in the operating results of the counterparty,
- iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligations,
- iv) Significant increase in credit risk on other financial instruments of the same counterparty,

Financial assets are written off when there is no reasonable expectations of recovery, such as a debtor failing to engage in a repayment plan with the Company.

Trade Receivables

Customer credit risk is managed subject to the Company's established policy, procedures and control relating to customer credit risk management. Trade receivables are non-interest bearing and generally on 7 days to 180 days credit term. Credit limits are established for all customers based on internal rating criteria. Outstanding customer receivables are regularly monitored. The Company has no concentration of credit risk as the customer base is widely distributed both economically and geographically

An impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The calculation is based on actual incurred historical data. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The Company does not hold collateral security. The Company evaluated the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets.

Liquidity Risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, Company treasury maintains flexibility in funding by maintaining availability under committed credit lines. Management monitors rolling forecasts of the Company's liquidity position (comprising the undrawn borrowing facilities below) and cash and cash equivalents on the basis of expected cash flows.

(i) Financing arrangements

The Company had access to the following undrawn borrowing facilities at the end of the reporting period:

Note :- 36 - FINANCIAL RISK MANAGEMENT (contd..)

Financial risk management objectives and policies

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by the Managing Board.

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial statement may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loans and borrowings.

The Company manages market risk through a treasury department, which evaluates and exercises independent control over the entire process of market risk management. The treasury department recommends risk management objectives and policies, which are approved by Senior Management and the Audit Committee. The activities of this department include management of cash resources, implementing hedging strategies for foreign currency exposures like foreign exchange forward contracts, borrowing strategies and ensuring compliance with market risk limits and policies.

Market Risk- Foreign currency risk.

The company manages foreign currency risk primarily through forward contracts

Note: SEGMENT INFORMATION

Operating Segments:

- a) Textile
- b) Power
- c) Garment

Identification of segments:

The chief operational decision maker monitors the operating results of its business segment separately for the purpose of making decision about resource allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in the financial statements. Operating segments have been identified on the basis of nature of products and other quantitative criteria specified in the Ind As 108

Segment revenue and results:

The expenses and income which are not directly attributable to any business segment are shown as unallocable expenditure (net of allocable income).

Segment assets and liabilities:

Segment assets include all operating assets used by the operating segment and mainly consist of property, plant and equipment, trade receivables, inventories and other operating assets. Segment liabilities primarily include trade payable and other liabilities. Common assets and liabilities which cannot be allocated to any of the business segment are shown as unallocable assets /liabilities

Inter segment transfer:

Inter segment revenue are recognized at sales price. The same is based on market price and business risks. Profit or loss on inter segment transfer are eliminated at the group level.
